

Dear Members and Friends,

ASEQ-EHAQ remains steadfast in our mission to secure greater recognition and support for individuals living with **Multiple Chemical Sensitivity (MCS)**. Your unwavering dedication—whether through participation in our events, spreading awareness, or supporting our initiatives—fuels our progress. Every action you take brings us closer to meaningful change, and for that, we are deeply grateful.

Your Signature Matters: Help Us Reach Our Goal!

As of April 1st, 2025, **443 supporters** have signed our petition—but we need more voices to amplify our call for action. **The deadline to sign is May 3**, so if you haven't already, please take a moment to add your name.

How to sign:

1. **Click** on this [link](#) and complete the form.
2. Check your email for a confirmation from the **National Assembly of Québec**.
3. Click the link in the email to **validate your signature**.

This petition is a crucial step in pushing for policy changes that will improve the lives of those with MCS. **Every signature counts—will you join us?**

RESILIENCE: International MCS Conference – May 1 & 2, 2025

Mark your calendars for this pivotal online event! Hosted via **Zoom**, the conference will explore **resilience** in the face of MCS, with a focus on:

- Advancing **scientific understanding** and **research collaboration**
- Improving **diagnosis, treatment, and medical education**
- Advocating for **policy reform** and **safer environments**

Accessibility accommodations—including **ASL, LSQ, CART, and multilingual captioning, simultaneous translation**—will be provided. [Register here](#) to secure your spot.

Together, We Are Stronger

Your support drives our advocacy forward. Stay tuned for more updates, and thank you for standing with us in this vital mission.
