RESILIENCE 2025 — Participant Welcome Guide

An International Conference on Multiple Chemical Sensitivity

📅 Dates: May 1–2, 2025

🕘 Time: 9:00 AM – 5:00 PM (EDT)

🌐 Location: Online via Zoom

Welcome

Dear Attendee,

Welcome to **RESILIENCE 2025**, a groundbreaking international conference dedicated to advancing understanding, recognition, and advocacy for individuals affected by **Multiple Chemical Sensitivity (MCS).**

We are honoured to have you with us as we explore the intersection of science, lived experience, environmental health, and social justice.

Whether you are a researcher, healthcare professional, policymaker, advocate, or someone with lived experience, your presence strengthens a growing global movement toward equity, accessibility, and inclusion.

What to Expect

Over the course of two full days, you will experience:

- Keynote Addresses and Scientific Presentations
- Lived Experience Testimonials
- Policy and Legal Framework Discussions
- Panel Dialogues with Civil Society Leaders
- Recognition Ceremonies Honouring MCS Champions

You'll hear from experts across Canada, Europe, Asia, and beyond, with themes spanning neuroscience, environmental medicine, disability rights, inclusive employment, and more.

Accessibility & Inclusion

We are committed to providing an accessible and inclusive experience. The following services will be available:

- ASL (American Sign Language) and LSQ (Langue des signes québécoise) interpretation
- CART (Communication Access Realtime Translation) captioning
- Multilingual Zoom captions
- Simultaneous interpretation english french,french english.

📌 *Please ensure your Zoom application is updated to access all features.*
