How to Use This Table

1. Identify the organizations in your province or region.
2. Use one of the sample advocacy letters you adapted to contact them.
3. Mention the AMA Policy H-135.902 and the need for fragrance-free environments.
4. Attach or link to any supporting materials (e.g., ASEQ-EHAQ IAQ workshop findings).
5. Encourage collaboration and request a response or meeting regarding next steps.
